TOGETHER WITH the improvements and the appurtenances,

SUBJECT, HOWEVER, to the following exception contained in that certain quit claim deed executed by Reconstruction Finance Corporation, a corporation, acting by and through War Assets Administration, to Columbia Steel Company, a corporation, dated December 21, 1948, and recorded December 22, 1948, in book 29335 page 142, Official Records of Los Angeles County;

"EXCEPTING, HOWEVER, from this conveyance and reserving to the GRANTOR, in accordance with Executive Order 9908 approved December 5, 1947 (12 F.R. 8223), all uranium, thorium and all other materials determined pursuant to section 5 (b) (1) of the Atomic Energy Act of 1946 (60 Stat. 761) to be peculiarly essential to the production of fissionable material, contained, in whatever concentration, in deposits in the lands covered by this instrument together with the right of the United States through its authorized agents or representatives at any

time to enter upon the land and prospect for, mine, and remove the same, making just compensation for any damage or injury occasioned thereby. However, such land may be used, and any rights otherwise acquired by this disposition may be exercised, as if no reservation of such materials had been made; except that, when such use results in the extraction of any such material from the land in quantities which may not be transferred or delivered without a license under the Atomic Energy Act of 1946, as it now exists or may hereafter be amended, such material shall be the property of the United States Atomic Energy Commission, and the Commission may require delivery of such material to it by any possessor thereof after such material has been separated as such from the ores in which it was contained. If the Commission requires the delivery of such material to it, it shall pay to the person mining or extracting the same, or to such other person as the Commission determines to be entitled thereto, such sums, including profits as the Commission deems fair and reasonable for the discovery, mining, development, production, extraction, and other services performed with respect to such material prior to such delivery, but such payment shall not include any amount on account of the value of such material before removal from its place of deposit in nature. If the Commission does not require delivery of such material to it, the reservation hereby made shall be of no further force or effect."

SUBJECT ALSO to any and all other exceptions, reservations,

covenants, conditions, restrictions, easements, rights of way and encumbrances of record, particularly including, but not being limited to, the following:

1. An easement for oil pipe line over the Southerly 30 feet of Parcel A, as granted to General Petroleum Corporation of California, by deed recorded in book 4802 page 236, Official Records.
2. An easement over said Parcel A, for sewage purposes, as granted to Hughes-Mitchell Processes, Incorporated, by deed recorded in book 15827 page 169, Official Records, over the strip of land described as follows:

A 5 foot strip of land extending from a line parallel with and distant 1100 feet Westerly, measured at right angles from the Westerly line of Normandie Avenue, 66 feet in width, to the Easterly line of Western Avenue and lying Northerly of and contiguous to a line parallel with and distant 30 feet Northerly, measured at right angles from the Northerly boundary of Tract No. 4983, as per map recorded in book 58 page 80 of Maps, in the office of the County Recorder of said county.

Notice of pendency of said action was recorded June 23, 1948 as Document No. 2820.

13. Easement over and upon such of the presently existing railroad facilities on said Parcel A, to connect the spur track presently existing on adjacent land commonly known as the "Bohn Aluminum Tract", also an easement for the benefit of said Bohn Aluminum Tract to dispose of sewage through the sewer system presently existing in said Parcel A, also an easement to use the presently existing electric power line systems installed on said Parcel A now connected to and serving said Bohn Aluminum Tract, to the extent reasonably necessary for the supplying of electric power required by operations from time to time conducted on said Bohn Aluminum Tract, together with the right of necessary ingress to and egress from said Parcel A, for the purpose of maintaining and repairing the connections from said system to said Bohn Aluminum Tract, as reserved by Reconstruction Finance Corporation, a corporation, acting by and through War Assets Administration, in deed to Columbia Steel Company, a corporation, dated December 21, 1948, recorded December 22, 1948 in book 29335 page 142, Official Records.

14. An easement upon, along and under the hereinafter described strip of land for the purpose of using, operating, maintaining, repairing, reconstructing and replacing thereon and removing therefrom, two presently existing underground pipe lines for the transmission of butylenes, together with the right of ingress to and egress from said strip of land over adjacent lands of the Grantee at all reasonable times.

Said strip of land being generally described as a strip of land 5 feet in width, the center line of which begins at a point in the Easterly line of Parcel 2 in map filed April 16, 1942 in book 52 at page 47, Record of Surveys, in the office of the County Recorder of said county, said point of beginning being situated 5 feet Southerly at right angles to the Southerly line of 190th Street; thence Easterly and parallel with the South line of 190th Street, North 89° 56' 46" East 1206.56 feet; thence South 63° 22' 27" East 222.7 feet; thence North 89° 56' 46" East, 443.5 feet; thence Southerly and parallel with the Westerly line

of Normandie Avenue, South $00^{\circ} 07' 40''$ East 1351.8 feet; thence North $89^{\circ} 57' 20''$ East 5.5 feet to the Westerly line of the Pacific Electric right of way;

as reserved by Reconstruction Finance Corporation, a corporation, acting by and through War Assets Administration, in the last above mentioned deed.

15. An easement in, on and along the drainage ditch presently existing upon and across said Parcel A, and lying within the Northerly 50 feet thereof, and presently existing upon and across each of said Parcels B to V inclusive, and Parcel X, for the purpose of discharging into said ditch storm waters which naturally drain therein, as reserved by Reconstruction Finance Corporation, a corporation, acting by and through War Assets Administration in the last above mentioned deed.

16. Covenants, conditions and reservations contained in the last above mentioned deed.

17. An action affecting Parcels R, W, X and Y, commenced November 14, 1951, entitled Los Angeles Flood Control District, vs. Loran B. Hart, et al., to condemn the fee simple title in and to that portion of Lot 76 of Tract No. 4671, as per map recorded in book 56 pages 30 and 31 of Maps, within a strip of land 225 feet wide, lying $112^{\circ} 50'$ feet on each side of the following described line, beginning at a point in the center line of 190th Street, 66 feet wide, as shown on said map, distant thereon South $61^{\circ} 55' 44''$ West 832.27 feet from the Northerly prolongation of the center line of Figueroa Street, 50 feet wide, as shown on said map of Tract No. 4671, said point of beginning being also on a curve concave to the Southwest and having a radius of 800 feet, a radial line through said point of beginning having a bearing of South $52^{\circ} 12' 24''$ West; thence Southeasterly along said curve 73.48 feet; thence tangent to said curve South $32^{\circ} 31' 50''$ East 2760.78 feet to a point in the center line of Main Street, 80 feet wide, as said last mentioned center line was established by the County Surveyor of said County and shown on County Surveyor's Map No. 8718, Sheet 3, on file in the office of said Surveyor, distant thereon South $35^{\circ} 12' 07''$ West 235.23 feet from the intersection with the Southerly prolongation of the center line of Broadway, 100 feet wide, as said intersection was established by said County Surveyor and shown as Station 286 plus 24.87 on said County Surveyor's Map, therein designated as Parcel No. 240, for flood control channel, Case No. 592783, Superior Court.

Notice of pendency of said action was recorded November 15, 1951, in book 37643 page 162, Official Records.

18. A right of way and easement over portion of Parcel A, to lay, install, construct, maintain, operate, repair, renew and remove a single pipe line not greater than 8 inches in diameter or not more than 2 pipe lines each not greater than 6 inches in diameter for conveying of hydrocarbon substance in liquid or gaseous state, including styrene, provided that if Grantee shall elect to install 2 pipe lines as herein provided, they shall be nested one above the other in, under, along and across that certain piece of

property 3 feet in width situated in Los Angeles County, the center line of which is described as follows:

A line extending from a line parallel with and distant 1100.0 feet Westerly measured at right angles from the Westerly line of Normandie Avenue 66.0 feet in width to the Easterly line of Western Avenue and lying Northerly of and contiguous to a line parallel with and distant 8.0 feet Northerly measured at right angles from the Northerly boundary of Tract No. 4983, in the County of Los Angeles, as per map recorded in book 58 page 80 of Maps, as

granted to The Dow Chemical Company, a corporation, in deed from Columbia Steel Company, a corporation, recorded March 25, 1952, in book 38552 page 294, Official Records.

Said deed recites that this agreement and the rights and privileges herein granted shall terminate in the event Grantee shall fail for a period of one year to maintain and operate said pipe line or lines.

19. An action affecting Parcels A to Y inclusive, filed March 31, 1952, entitled United States of America, vs. 214 acres of land, more or less, in the County of Los Angeles, State of California; County of Los Angeles, a body politic and corporate; State of California, a corporation sovereign, Columbia-Geneva Steel Division, U. S. Steel Company, a corporation, and unknown owners, for condemnation proceedings, Case No. 13971, United States District Court, Southern District of California, Central Division.

Notice of pendency of said action was recorded April 2, 1952, in book 38617 page 364, Official Records.

20. Any claims of lien that may be filed against said land arising out of the work of improvement referred to in a notice of nonresponsibility by United States Steel Company, (Columbia-Geneva Steel Division), recorded May 7, 1952, in book 38877 page 383, Official Records.

21. Easement for spur track purposes as conveyed by Columbia Steel Company to Harvey Machine Co. Inc. by "Grant of Easement" dated June 29, 1951, and recorded July 17, 1951, in book 36778 page 362, Official Records.

SUBJECT ALSO to the following:

22. An unrecorded Easement of right of way for a telephone line along Western Avenue, as conveyed by Columbia Steel Company to Pacific Telephone and Telegraph Company by instrument dated November 15, 1949.

23. Any encumbrances of said described property resulting from acts of the Government or of persons acting pursuant to its authority since the 1st day of April, 1952.

IN WITNESS WHEREOF Grantor has caused these presents to be executed in its behalf by its Division Vice President thereunto first duly authorized and its seal to be hereunto affixed this *24* day of *October*, 1952.
